**ENTHRONEMENT OF RIGHT
REV. HENRY BOND RESTARICK**

An Interesting and Impressive Sunday Morning Service at the Episcopal Cathedral of St. Andrew's.

A very large congregation assembled at St. Andrew's Cathedral Sunday morning at 11 o'clock to witness the enthronement of Right Rev. Henry Bond Restarick, D. D., Bishop of Honolulu. The service was very impressive and very few people left the Cathedral until it was over. The enthronement was required by the statutes of the Cathedral Church of St. Andrew. The Rev. Canon Kiteat, senior canon of the Cathedral, officiated as installant, the Rev. Frank Fitz, ceremoniar, the Revs. John Osborne and Kong Yin Tet, chaplains, Edw. Stiles, registrar. There were also present Rev. Canons Ault, Mackintosh and Weymouth, and Deacons Du Moulin, Yee Bew and Liebenrood. The representative laymen were Prince David Kawanakoa, L. Tenney Peck, treasurer, Henry Smith and John Effinger.

The service opened at the west door of the cathedral, where the choir and clergy met the Bishop, attended by his chaplains. The Bishop presented to the installant the documents testifying to his consecration at St. Paul's Church, San Diego, and then said to the canon, "Reverend Sir, I exhibit unto you the notarial act on my consecration to this See, and beseech you that you will induct, install and enthroneme Bishop of the Bishopric of Honolulu, with all the rights, members, and appurtenances thereunto belonging." The documents were handed to Registrar Stiles and read by him. The installant then said: "We accept of this testimony with great willingness, and will show our regard to it upon your taking the oath customary in this behalf." A procession was then formed and entered the cathedral, led by the surpliced choir singing a Te Deum in "F" by Munro. After all had taken their seats a collect was said, then the bishop at the altar took the following oath: "I, Henry Bond Restarick, Bishop of Honolulu, do promise to respect, maintain, and defend the rights, privileges, and liberties of this church and missionary district, and to rule therein with truth, justice and charity, not lording it over God's heritage, but showing ourselves in all things an example to the flock, so help me God, and these holy gospels." The Bishop was conducted to his seat in the choir, and after being seated, the installant said: "Mayest thou adorn this, thy seat amid thy brethren, given thee of God, with justice and with sanctity. God is mighty, and may He increase thy grace." Then the Bishop went to his throne in the chancel, and, after being seated, the installant, taking his right hand, said: "I, Vincent H. Kiteat, canon of this church of Honolulu, by authority of the dean and chapter of this church committed to me for this purpose, do install and enthroneme thee, Right Reverend Father, into the dignity and chair episcopal of this cathedral church, and therewith give thee all possession, authority, and jurisdiction which pertain to the Bishop of this See; and place you in this said seat in the name of our Lord Jesus Christ. Amen."

The Lord's Prayer and several responses were sung, after which the choir chanted Psalm 133. The following prayer was said by the installant: "O Almighty God, the disposer of duties, and bountiful bestower of all goodness, Who hast instituted divers degrees of dignity and authority in Thy church, we most humbly beseech Thee that Thou wilt vouchsafe to strengthen this Thy servant, appointed to govern this church and diocese of Honolulu, with the successor of Thy Grace, that he may endeavor himself to be faithful to Thee in this his pastoral office both in word and deed, to the glory of Thy name, and the edification and right ruling of Thy church, through Jesus Christ our Lord. Amen." The Bishop, with his pastoral staff in his hand, then gave the people his blessing, after which all joined heartily in singing the hymn, "The Church's

One Foundation." The service proceeded with a celebration of the Holy Communion. The Bishop, before going into the pulpit, gave notice of the several meetings to be held during the week, to be known as "Convocation Week." An excellent sermon, which held the close attention of the large congregation, was preached by the Bishop from the text, Songs of Solomon, 6th chapter 10th verse, "Who is she that looketh forth as the morning, fair as the moon, clear as the sun, and terrible as an army with banners." He prefaced his remarks with a reference to the establishment of the Episcopal Church here and its first services. The music during the service was well rendered by the full surpliced choir of ladies and gentlemen. In the evening there was a missionary meeting, when addresses were delivered by the Bishop, Canon Ault and Rev. John Osborne.

Wahiawa Notes.

Mrs. Dickey and children of Honolulu are spending several months in Wahiawa for rest and recuperation.

Mrs. Hobron and daughter, Miss Gladys Hobron, are at Wahiawa for a week's stay for the benefit of the tonic climate.

Mr. Alfred A. Butter, one of the great pipe organists of America, a recent arrival on the Alameda, is at Pineapple Hill, Wahiawa, the guest of Mr. and Mrs. Alfred W. Eames. Mr. Butter is on a tour around the world for rest and the interest of travel and will spend a few weeks in Honolulu to the delight of whose poetic charm he is already a votary. Mr. Butter is a young organist from St. Louis, Cincinnati, indeed bearing the sweeping verdict of many cities of the mainland, that as a pipe organist he easily leads his confreres.

So many of the glorious names of the great masters of music such as Bach, Handel, Mozart, were great organists; and so much of the noblest music of the world is in compositions for sacred music for the organ, that the scope, the power, the depth of a master are often wonderfully revealed in such compositions as the mass, the fugue, the cantata, the oratorio. The pipe organ becomes then the medium of interpretation. The religious world has recognized this and through the noble music of the pipe organ recital has come much spiritual and mental uplifting. It is earnestly to be hoped that Mr. Butter, who is said to be second only to Clarence Eddy in America as a pipe organist, may be heard in organ concert or recital during his stay in Honolulu. Such a rare opportunity to hear the best comes so near us all too seldom.
